

Master of Science in Entrepreneurial Management

Programme Objectives

The programme is designed to equip students with the essential knowledge and practical skills to transform entrepreneurial ideas into actionable ventures, while also integrating students into networks of industry leaders and Hong Kong's vibrant start-up ecosystem.

Programme Highlights

- **Capstone Project with HKSTP Start-ups:** Opportunities for students to undertake their capstone project in collaboration with start-ups based in the Hong Kong Science and Technology Parks, gaining hands-on experience in a real-world innovation ecosystem.
- **Industry Mentorship Initiative:** Connect with experienced entrepreneurs and industry leaders through a mentorship scheme, including figures such as the Chief Commercial Officer of the Alibaba Entrepreneurs Fund.

MSc-EM International Scholarship:

- **Award:** Full tuition fee waiver (amounting to HKD 210,000 for the 2026/27 academic year entry).
- **Eligibility:** Open to outstanding international students with a strong academic record and/or substantial entrepreneurial experience.

Application:

All international applicants to the MSc-EM programme will be automatically considered for the International Scholarship during the admissions process.

As scholarship decisions are made on a rolling basis and may reach capacity early, we recommend submitting your application as soon as possible to ensure full consideration
